Waitlists:

If you did not get into your preferred class option we encourage you to add your name to the waitlist and enrol into your alternative class option. We will contact you if a place becomes available in your preferred class time or if we schedule additional classes. Additional classes are scheduled based on demand once all alternative options have filled.

Expressions of Interest:

In addition to the waitlist we are happy to take expressions of interest for classes and will look into scheduling additional classes based upon the level of interest.
