### CERTIFICATE IN AROMATHERAPY CONSULTATION

#### Compulsory Textbooks

---

---

**NOTE: If a subject from your course program is not listed in this document, then there is no compulsory textbook for the subject**

**ADVANCED AROMATHERAPY**

**AND**

**AROMATHERAPY ESSENTIALS**

Battaglia, S. (2004). *The complete guide to aromatherapy* (2nd ed). The Perfect Potion, Australia.

**NOTE:** Please do not purchase the 3<sup>rd</sup> edition of this title (published in 3 large volumes). The 2<sup>nd</sup> edition covers all topics needed for the above units.

**Source:**

- **Perfect Potion:** [online shop](#) or from one of their physical shop [locations](#)

**Essential Oil Sample Kit** - Optional sample kits for the above two units that include 1mL samples of each essential oil profiled in this course are available for purchase. If you do not have your own essential oil collection, these kits are really useful to bring your learning experience to life!

# Nature Care College
