## Consultation Case Requirements

30 Consultations where the student is the primary consulting practitioner (15 initial consultations and 15 follow-up consultations)

---

## External Clinic Training Guidelines

The External Supervisor that you source must meet the following criteria to be eligible;

- ✓ has achieved a relevant recognised qualification in the applicable modality, equal to or higher than the training program the student is enrolled in.
- ✓ has a minimum of three years' experience as a practicing clinician.
- ✓ is a current member of a recognised Professional Association
- ✓ holds current Professional Indemnity Insurance

Your nominated practitioner is required to complete an '**External Clinic Application Form**' to verify that they meet the above criteria. The application fee to have your form accessed and approved is \$200.

You may choose to complete your external clinic hours with **one or more** supervisors.

The application fee for each supervisor is \$200

Please ensure you lodge your **External Clinic Application Form** 2-3 weeks prior to the date you wish to commence your external clinic training to allow time for processing.

**The final portion of your clinic training hours must be completed either online or on campus at Nature Care. This is to ensure your final assessment is conducted by a Supervisor that holds a Cert IV in Assessment & Workplace Training TAE40116**
