

Energetic Tools for Transformation Level 1 (including EFT)

Summary

This highly experiential online course is suitable for all therapists and health practitioners as well as anyone who wants to take charge of their health and happiness. It will introduce you to the foundational aspects of proven energetic tools that create real and lasting transformation (including EFT, also known as Tapping).

You will learn and practice simple yet powerful techniques that allow you to shift disempowering emotional/energetic states, and work with a number of common personal challenges, including stress, pain relief, and self esteem.

You will walk away with a deeper understanding of the innate power of our body/mind/spirit system, and with practical energy shifting tools that you can use for yourself at any time, anywhere, as well as for family and friends.
